This is a conference with a difference:

- Where we affirm and showcase numerous initiatives transforming education through the stages of a child's life, from cradle to career.
- Where we learn from projects and programmes so that they can impact, improve and transform our education system.
- Where we share insights and guidelines through a HOW TO REPLICATE publication and
- LIVE WEB-STREAMING: <http://live.ufs.ac.za/>

We thank our sponsors and partners:
